- **Personal Journal or Book (optional)**

**Important Documents**

- **Health Insurance Card**—Please bring an original or copy of your health insurance card.
- **Photo Identification**—If you are not flying: Overland does not require photo identification. If you are flying within the U.S.: The TSA website has two relevant pieces of information. (1) “TSA does not require children under 18 to provide identification when traveling with a companion within the United States.” This language indicates that TSA staff can insist that an under-18 year old who does not have a companion (we interpret this as a companion who is 18 or over traveling with them—not just checking them in) must have TSA-compliant identification. Our experience is that this requirement is inconsistently enforced but, since it might be enforced, we recommend that all Overland students who are flying to/from their trip have TSA-compliant identification. (2) “Contact the airline for questions regarding specific ID requirements for travelers under 18.” This is always smart to do as airline policies vary widely and change frequently.

**Spending Money**

- **Spending Money & Miscellaneous Expenses**—Each student should bring a debit card, an ATM card or a prepaid Visa card to cover spending money and miscellaneous expenses. Spending Money: While all meals and activities are included in the trip fee, we recommend $25/week for spending money (for example: for souvenirs or an occasional drink or snack beyond what is provided to the group as a whole). Miscellaneous Expenses: Most Overland students will incur some expenses while traveling (for example: an equipment repair or baggage fees at trip end). Please add $100 to the debit/ATM/Visa card (in addition to spending money), to cover these expenses.
