

CanadaTrips: **Nova Scotia & Acadia**

Fully vaccinated students may enter Canada. As of April 1, 2022, they will no longer need to present a negative test result. Students entering Canada must complete the [ArriveCAN app](#) before arriving in Canada (access to the ArriveCAN app opens 72 hours before your arrival). Students should print their QR-code receipt and carry it with them.

All students traveling internationally should carry the original copy of their vaccination card (and leave a copy – and a photo – of the original at home). Students returning to the U.S. do not need a negative Covid-19 test to enter the U.S.

Costa RicaTrips: **Costa Rica Explorer, Language & Service Costa Rica**

No pandemic-related entry restrictions are in force at the present time.

Students returning to the U.S. will no longer need to provide a negative rapid antigen test upon check-in to their flight back to the U.S.

All students traveling internationally should carry the original copy of their vaccination card (and leave a copy – and a photo – of the original at home).

GermanyTrips: **European Challenge**

No pandemic-related entry restrictions are in force at the present time.

Students returning to the U.S. will no longer need to provide a negative rapid antigen test upon check-in to their flight back to the U.S.

All students traveling internationally should carry the original copy of their vaccination card (and leave a copy – and a photo – of the original at home).
